Its no surprise that the [Chicago interior designers](#) at [The Inman Company](#) have earned a reputation for excellence in interior design. Founded by Shane Inman, the president and senior principal interior designer, this prestigious design firm located in the Gold Coast of Chicago, Illinois. Inman strives to set an industry standard for excellent performance by maintaining a high level of professionalism. This versatile firm works on everything from large-scale corporate headquarters, to small residences. Professional designers at The Inman Company strive to think outside of the box, and their innovative work has been recognized by HGTV, New American Luxury, and other notable editorials. One of their stand-out projects is their take on a 21st century modern kitchen. Take a look below:

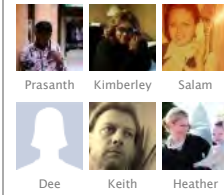

The kitchen features an elegant frosted glass counter-top, joined to a granite counter. Stainless steel accessories are modern and chic.

From a further look, the kitchen's raised counter top is perfect for small meals. High ceilings add space, and industrial flair to the room.

Walls of windows allow this loft to showcase the custom designed kitchen for all spectators to see!

Were you inspired by The Inman Company's chic contemporary kitchen? For more sleek designs, check out their [portfolio!](#)
