Just the idea of an artist's escape or a quiet crafting retreat is enough to stir up even the least creative among us. And thanks to the brilliant designers who submitted their work to our friends at [Porch.com](http://Porch.com), we now know several potential ways to do it. But before we let our imaginations run wild, check out the inspiring ways an ordinary room can be transformed into an extraordinary workplace.

Opt for floor-to-ceiling windows to let the light (and the creativity) flow naturally.
